Active member:
 4H: 10 years
 FFA: 2 years
 Mentor to younger members
 Monthly community service projects
 Swine Showmanship Champion at County
 8 of last 9 years
 Pflugerville First United Methodist Church

Personal Statement: My parents say that I have always been very competitive. I enjoy multiple sports: through middle school I played 5 sports: volleyball, soccer, basketball, track, and softball. I had to drop to 4 my freshman and sophomore year and now as a Junior I have dropped to volleyball and softball. I am quick and have a great vertical jump. I have also competed in livestock shows since the age of 5. I have won the Travis County showmanship competition 8 of the last 9 years. I have not played on a big club softball team so I am not well known. I am a strong 2nd baseman, averaging 900-1000% on my fielding, switch hit, slap, and love to steal bases. I am a leader, speak up when I do not understand the instructions and I stand up for my team/teammates. My parents claim that I am harder on myself than my coaches have ever been. I want to be a coach. I plan to start out in middle school, then move into high school and would like to complete my career as an Athletic Director. As I start to look at colleges, I have a few in mind but at this point I am still very open. I feel that I can contribute within any team environment. My biggest challenge so far has been trying to decide which sport I enjoy the most.
